

Hallelujah

I heard there was a secret chord
that David played and it pleased the LORD
all I want is to play that music for You
it goes like this, the fourth, the fifth
the minor fall, the major lift
and all I sing is a broken hallelujah

hallelujah, hallelujah, hallelujah, hallelujah
hallelujah, hallelujah, hallelujah, hallelujah

I know that there is a God above
that is all I've ever known of love
to see His Son there broken, beaten, for me
so while we're here let's sing this song
I want you all to sing along
let's raise a cry, let's raise a hallelujah

hallelujah, hallelujah, hallelujah, hallelujah
hallelujah, hallelujah, hallelujah, hallelujah

In the still and quiet place
I still can feel His warm embrace
although I know the storms they rage around me
to live your dream is quite the cost
just don't look back, and don't get lost
my offering is a broken hallelujah

hallelujah, hallelujah, hallelujah, hallelujah
hallelujah, hallelujah, hallelujah, hallelujah
